

### SMART KITCHEN APPLIANCES DESIGNED FOR THE NEXT GENERATION

### MESSAGE FROM THE MANAGING DIRECTOR

At SENZ, we offer luxury kitchen appliances at affordable prices, tailored for Malaysian kitchens. Our products, categorized into Premium X, Premium, and Classic collections, combine quality with options for every budget.

As Malaysia's top-rated kitchen appliance brand with 5-star Google reviews, we pride ourselves on exceptional customer service and in-house technical support, ensuring your satisfaction and peace of mind.

At SENZ, we deliver more than just products-we create exceptional experiences.

Warm regards,

Eatherine Leong

**Datin Katherine Leong** Managing Director, SENZ Marketing (M) Sdn Bhd

### **ABOUT SENZ - COOKING IN STYLE**

### **NOVEMBER, 2009**

We came into existence in November, 2009. We started off by selling electric stoves to end users via exhibitions, roadshows, and our very own showrooms. Now, we are known as the pioneer of functional yet stylish kitchen appliances such as electric stoves, electric cookers, cooker hoods, built-in electric ovens, and built-in gas stoves.

### Address:

No.23, Jln TPP 3, Taman Perindustrian Putra, 47130 Puchong, Selangor

### **JANUARY, 2021**

We recognized in The Malaysia Book of Records for the highest wholesale of Intelclean Cooker Hoods, we proudly collaborate with over 200 dealers nationwide, solidifying our position as a trusted leader in the kitchen appliance industry.

### **Our Vision**

To become the No.1 Kitchen Appliances Brand in Malaysia, with at least 1 in every 10 households choosing our products

### **Our Mission**

Through constant research and innovation, design and develop kitchen appliances that are truly for Malaysian cooking experience

### **Our Brand Promise**

- Luxury yet Affordable
- Provide WOW user experience
- Expertise & Professional

### The Malaysia Book of Records for the Highest wholesale of Intelclean Cooker Hoods

### CSR PROGRAM - SPONSOR OF THE APPLIANCES INITIATIVE

At SENZ, we believe in giving back to society and nurturing future generations. With great pride, we announce our contribution of premium kitchen appliances to schools in need through our CSR initiative – empowering young chefs to shape a brighter tomorrow.

# LATEST INVISIBLE MULTIHOOD

Ordinary Slim Cooker Hood

### **DESIGNED FOR THE MODERN KITCHEN**

### 1 6mm Slim Hidden Concept

Ultra slim design blends seamlessly into your kitchen. Leaving you with an aesthetically pleasing art piece under its spotlight.

### 2 Stylish Touch Control

Simplistic panel design with responsive touch control adds a modern appeal to your ease of use.

### **3** Strong Suction Power

High-efficiency performance effectively removes any oil and odour to help minimise your kitchen cleaning chores.

### 4 Retractable Flip Glass Panel

Hassle-free retractable mechanism allows for easy cleaning of trapped grease while enhancing overall visual appeal.

### 5 3-Speeds Power Control

Different power settings to best suit various styles of cooking and ensure optimum efficiency.

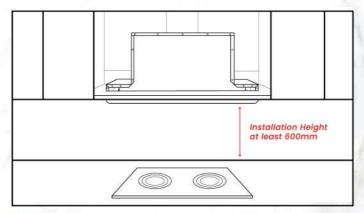

### THINGS NEED TO TAKE NOTE before installing our CH1288RC Invisible Hood

STEP1: If you can open a hole in your kitchen we will suggest you to open a hole to extract the grease out.
 P.S. Hose and Wall Cap are sold separately.

STEP 3: If you are using recirculation system, please ensure that you have enough ventilation in your cabinet to allow clean air to flow. For example, some open ventilation holes on your cabinet door. This can also prevent your cabinet door from vibrating while operating the hood.

**STEP 5:** Kindly take note that the installation height between Cooker Hood and Stove, the recommended installation height is **around 600mm.** 

STEP 2: If you are not allowed to open a hole in your kitchen then you need to use our **recirculation system** to operate the Cooker Hood. Recirculation system consist of **Aluminum** Filter and Charcoal Filter.

STEP 4: You can also open a hole at the top of your kitchen cabinet.

STEP 6: To avoid the clip from breaking easily, please do not tighten it with electric drill; use only screw driver to tighten it.

### CH1288RC Invisible MultiHood

Model No: SZ-CH1288RC

\*\*This hood needs to be installed inside the cabinet
